

# WATERCOLORS MADE SIMPLE

## CLASS SUPPLY LIST

Feel free to substitute or use tools that you all ready have.

### WATERCOLOR PAPER

- Canson XL 140LB cold pressed (9x12)
- W&N Professional 140LB Cold Pressed cotton (9x12)

### PAINT

It's not necessary that you use the exact colors that I use during the class so improvise when you don't have the color and buy within your budget.

- Payne's Grey (deep inky blue - one of my favs)
- Nickel Titanate Yellow (primary yellow, or lemon yellow is fine)
- Yellow Ochre (another one of my favs)
- Permanent Rose (My top color for painting pink florals)
- Cadmium Red
- Windsor Blue (primary blue, or a pure blue works too)
- Olive Green
- Sap Green
- Buff Titanium (bleached titanium, or a beige, works too)
- Peach (this seems to be a color that's hard to find for some. Try playing around with a mix of Permanent Rose and Yellow/Yellow Ochre to mix a version of it)
- optional for mixing; black and white

**\* Note: feel free to use a dry pan set, or similar colors that you have access to.**

I HAVE CREATED A SUPPLY PAGE WITH LINKS TO AMAZON IN US & CANADA TO HELP YOU DECIDE WHAT SUPPLIES YOU NEED. CLICK [HERE](#) TO BE TAKEN TO THAT PAGE.
